JULY 2009

summery sauvignon blancs

Refreshing Sauvignon Blanc is the perfect summer wine. Do a little continent-hopping with these southern-hemisphere bottlings:

AUSTRALIA Vineyards in Southern Australia's Adelaide Hills supply the fruit for the lush, tropical-fruited 2008 Hewitson Lulu (\$15).

NEW ZEALAND Marlborough's vibrant 2008 Box O'Birds (\$17) is loaded with juicy grapefruit and sagey herbal notes.

SOUTH AFRICA The affordable, zippy, grassy 2008 Indaba (\$10) comes from the cool Western Cape wine region. —*Megan Krigbaum*
