

Jam Jar featured on the Today show

Jam Jar Sweet Shiraz made a guest appearance on this morning's Today show. In a pre-Valentine's Day segment on "Sensuous Wine and Chocolate Pairings," renowned wine guru Paul Grieco of NYC's *Hearth* restaurant and *Terroir* wine bar recommended Jam Jar as a "perfect marriage" for chocolate pudding. Describing Jam Jar as "Fruit forward, [with] good length, but not aggressive," Paul noted that the wine's "rich fruit...will match the milk chocolate in this dessert."
