## **91** **Kanonkop Cabernet Sauvignon** **Simonsberg-Stellenbosch 2003 \$33**

"Ripe and juicy, but nicely focused, with alluring fig paste, black tea, incense and hoisin sauce notes carried by supple tannins. The long finish lets all the flavors play out, with nice buried acidity. The best Cabernet in a while from this Pinotage specialist. Drink now through 2011. 110 cases imported."
