RUSTENBERG 2008
CHARDONNAY (STELLENBOSCH)

“A gorgeous and well-balanced Chard that’s on par with some of the more popular offerings from other notable regions. Elegant and expressive with butter, toasted brioche, red apple skins and almond paste unfolding in the bouquet while flavors of baked apples and pear lead through to the marzipan-infused finish. Full and intense but not fat or overdone; drink now with stuffed lobster or thermidor.” **EDITOR’S CHOICE** — L.B.
