## **93** **Rudi Schultz Syrah** **Stellenbosch 2006 \$37**

Almost exotic, with nearly flashy raspberry ganache, braised fig and bittersweet cocoa notes. But the buried acidity is superfresh, and the long, graphite-filled finish lets the fruit, black tea and spice notes hang on nicely, while leaving a mouthwatering feel. Impressive. Drink now through 2012. 500 cases imported. – J.M.
